TCCC cosmetology students garner top awards

Two Tri-County Community College (TCCC) students earned high marks at the Regional Community College Cosmetology competition held recently at Haywood Community College.

Based on their success in the regional event, Murphy residents, Misty Maney Ledford and Martha Harris have now qualified for the upcoming state cosmetology competition.

Ledford not only finished with two first place awards (in “Haircutting” and “Make-up”), but she also was judged “Best Overall Student.”

Harris placed third in “Bridal” and “Total Fashion.”

The pair are second year students in the TCCC program. Pauline Ledford directs the program and teaches the day classes, while Robin Panter serves as the evening instructor.
